REALITY

ABOUT US

In everyday life we come across various Civil engineering problems, both at the Construction stage as well as at the maintenance or rehabilitation stage. For the planners, consultants, architects, engineers and contractors, the choice of material and workmanship is always very crucial. There are various factors / wear & tear that can cause restricted use of the structure, early repairs, reduction in value for money spent and in turn, a shorter life for the structure itself with impaired safety.

Superbuild Solutions Pvt. Ltd. is a multi-disciplinary management firm established in Nov' 2021 & having its head office in Mumbai. Our firm consists of young, qualified, committed, disciplined, experience and dynamic professionals offering innovative solutions, management ideas and wide range of Project Management Consultancy.

We are a team of highly qualified, young and dynamic Engineers, Project Managers, Project Schedulers, Estimators, C.A., C.S., Architect, Advocate and many such experienced professionals having profound knowledge of the construction sector & market situations.

OUR CLIENTS :

We believe that colour can make a dramatic impact in the way we look at our homes. It can brighten up the mundane, elevate the sublime, add a dash of personality to concrete and brick, and create a true expression of self that makes a difference not just to you, but to the landscape around you. Create a distinct mood, piece together that perfect selection of shades and show the world your true colours.
